#1 selling diesel car brand in America.*

Why has Volkswagen sold more diesel cars in the U.S. than every other brand combined? Because when your mind says efficiency** and your foot says power, only Volkswagen TDI* Clean Diesel technology gives you the option of both. Fuel efficient. Not fun-deficient. The Volkswagen TDI Clean Diesel family. With the Touareg that gets up to 765 highway miles per tank and five other turbocharged models that get 40 highway mpg or more;* there's one for everyone. Isn't it time for German engineering?

On Saturday night, TËAZE, 100% Hair Metal will rock the HMC Stage with 80's hits from Bon Jovi and Van Halen.

To wrap up the four-day salute to the Herndon Festival's music history, Pat McGee will rock the Depot Stage at noon and Gaelic Storm makes its much anticipated return on the HMC Stage.

In this guide, check out all the other acts scheduled for your listening pleasure throughout the 35th Annual Herndon Festival.

Your Opinion Counts!

Let us know what you think. Please take just a few minutes to answer a short online survey. We will use your feedback to improve the **Herndon Festival.**

We have come a long way in 35 years!

Thank you to everyone who has supported the Herndon Festival, which started as a small one day community celebration, and is now the largest free event in Northern Virginia. This is your opportunity to celebrate with the Herndon Parks and Recreation Department, your family, friends, neighbors, and soon to be friends at the 35th Annual Herndon Festival! As we continue a time-honored tradition, our beloved four-day festival is filled with carnival fun,

music and games for all ages to enjoy. This brochure will be your guide to memories as you'll find plenty of information regarding our festival's highlights on these pages.

For up-to-the-minute information, be sure to "like" us on Facebook and "follow" us on Twitter @herndonfestival.

Leave the car at home and take advantage of our free shuttle service or free bike valet. There are several stops around Herndon, including the Worldgate Drive and Herndon High School, where you can pick up the bus, and it'll take you right to the festival! If you're riding your bike, let us watch it while you ride the rides!

More than just a carnival, the 35th Annual Herndon Festival will be a four-day concert featuring some of your favorite bands from previous years! A nod to our past, there will be 1980's tribute bands, plus local talent, and plenty of get-you-up-and-dancing music, from dueling pianos to rap/hip-hop. No matter your taste, we've got your flavor. Grab your lawn chair or blanket to relax and enjoy your favorite music.

While you give your ears a treat, give your taste buds a sensation by indulging in one of our many **festival foods**. From your favorite deep-fried delicacies to a classic cheese steak or gyro, there will be plenty of delectable options for you to choose from, including a crab dip pretzel and bread bowl. Don't forget to wash it all down with one of our many beverage choices, ranging from smoothies and lemonade to beer and wine.

For your kids to enjoy, the Children's Hands-On Art Area will be back as part of Kids' Alley! A fun and interactive area, kids will have the opportunity to make their own instruments (and perform with a live band!), see their names written in Chinese calligraphy and even help a professional chalk artist create a work of art with their feet! And remember, it's all FREE!

No festival would be complete without rides, and the carnival is sure to please any thrill seeker. Over a dozen adventurous rides for all ages, kiddie rides for the younger crowd and challenging games with great prizes await you at this year's carnival.

Friday, the streets are decorated with displays by talented **crafters and artisans**. On Saturday and Sunday, vendors galore will fill the streets of downtown Herndon, where crafters reign on Station and Lynn Streets, while the **Business Expo** takes over Pine Street. Be sure to visit them all for souvenirs, gifts and tons of ideas for your home.

On Sunday, get your morning run in by participating in our Herndon Festival 10K/5K races! Afterward, check out the Festival's Health and Fitness Expo. A post-race breakfast will be provided by the Great Harvest Bread Company and O'Sullivan's Irish Pub.

Take home the memories by picking your **35th Annual Herndon Festival souvenirs!**Cute tank tops, baseball caps, and warm hooded sweatshirts, plus traditional long and short sleeve t-shirts in fabulous colors.

Check our Facebook and Twitter pages throughout the weekend for the special daily happenings so you don't miss anything. While most events and activities are held rain or shine, in the rare event of severe weather, the Festival may close temporarily and then re-open. Sparks will fly Thursday night at the Herndon Festival when the Northern Virginia Roller Derby rolls into town for a demonstration.

Fielding three home teams - The Vineyard Vixens, The Beltway Betties, and The Metro Misfits - as well as two travel squads, the Northern Virginia Roller Derby is a spectacular display of grace with an unbelievable level of physicality. Run by volunteers, these ladies are passionate about their sport, and it shows when in the heat of competition.

As evident by the phrase "skate hard, give back," the Northern Virginia Roller Derby is as passionate about their community as they are their sport. Along with displaying their skills as part of the Festival, they'll swap their jerseys for volunteer shirts and help make the Festival a huge success.

So before the fireworks light up the night sky, watch the sparks fly when the Northern Virginia Roller Derby performs their free demonstration. You won't want to miss this!

Faster to the Festival!

Love Canon

7:30-9:30_{PM} at the HMC Stage

Do you love the 80's? Does the sound of bluegrass music make you want to dance? Have you ever thought about combining those two things? Well, Love Canon did!

Gracing the HMC Stage on Friday night, the Charlottesville-based "super 80's bluegrass hits machine" is a virtuoso group of string musicians whose experience on stage dates all the way back to their youth. They've studied music (literally) and they've performed together and separately in a variety of settings.

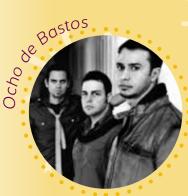

Ocho de Bastos

7:30-9:30_{PM} at the Depot Stage

If Latin rock is more your taste, the Ocho de Bastos band is your flavor!

Taking over the Depot Stage, Ocho de Bastos (translation: Eight of Clubs) is one of the most popular and sought after Latin Pop Rock bands in metro D.C. They have opened for numerous well-known Latin rock bands, and have even recorded and released an album in the Dominican Republic.

Founded in 2009 by a group of enthusiastic young musicians, Ocho de Bastos' sound is an energetic fusion of tropical rhythms with Latin rock. A unique guitar sound, blended with powerful drums, Latin percussion and catchy brass riffs complement Ocho de Bastos' unique style. The group was recently described by National Public Radio's Felix Contreras as "...A DAMN GOOD BAND."

Their repertoire includes popular songs in English, Spanish, and Portuguese, as well as originals.

Scarborough Fair, a Simon and **Garfunkel Experience**

6:30-9:30_{PM} at the Café Stage

ar 200 Score Do you want to meet me and hear Scarborough Fair? You will want to sing along as your ears soak in many of the greatest hits by Simon and Garfunkel. From their younger years, the Guthrie brothers have been playing and singing together in one way or another. They share just about everything, and a lot of that everything is music.

They knew the first time they played a Simon and Garfunkel song that their voices blended effortlessly into that signature sound; and the overwhelming audience reaction to their performances confirmed their feelings.

TËAZE, 100% Hair Metal

7:30-9:30_{PM} at the HMC Stage

It's the moves, spandex and hair metal from the 80's, performed by the only band manly enough to wear more makeup than your mom.

An authentic tribute to rock's most outrageous era, a TËAZE show is a glimpse back in time. Performing the greatest party anthems from Bon Jovi to Van Halen, with stage moves Poison wouldn't dare attempt. If you long for the days when the grass was green, the girls were pretty (and so were the guys), let TËAZE pour their sugar on you.

To set the stage for a spectacular fireworks display on Saturday night, TËAZE takes over the HMC Stage for an unforgettable rock experience.

8-9:30_{PM} at the Depot Stage

While TËAZE rocks the HMC Stage, Green River Ordinance brings an original country and soulful sound to the Depot Stage.

The band's debut album "Out of My Hands" shot to the Top of the Billboard Charts and catapulted their two singles "Come On" and "On Your Own" into the Top 40. Green River Ordinance has shared stages with acts like Bon Jovi, Train, Zac Brown Band, Blake Shelton, Counting Crows, The Eli Young Band, Miranda Lambert, The Goo Goo Dolls, Gavin DeGraw, Third Eye Blind and many others.

> Dance the night away listening to the acoustic sounds and harmonies of Green River Ordinance.

Wind Art Display

A Springtime Butterfly Garden

HMC Lawn 10AM-4PM

Decorate the Wind is a group of volunteers headed by Allan Robb of Fairfax, VA. They create colorful displays of banners, streamers, inflated shapes, and kites, which depict artistic themes flying in the wind. Motion, shape, color, and function are coordinated to present an eye pleasing display. From fifty to a hundred pieces, all flying from a wide collection of poles, can be included in a display. Each wind art display is unique in that it has to be tailored to wind conditions and available space.

The wind art show for the 35th Annual Herndon Festival is titled "A Spring Time Butterfly Garden". Warmly colored giant butterflies flying at eye level are the heart of the display. A row of bright green "wind dancer" banners along with a set of tall "swooper flags" color coordinated with the butterflies are arranged to convey the garden setting. A total of eighty individual elements combine to herald the coming of warm spring days in a more than one hundred foot wide wind art display. Photographic opportunities are plentiful.

A large group of enthusiastic volunteers allows for the complexity and size of the Decorate the Wind displays. Allan Robb has been flying kites of many sizes and shapes for forty years. He began specializing in ground displays of wind art about fifteen years ago to adapt to the light and quirky winds typical of spring kite festivals in the Washington, D.C. area. His award winning wind art shows have been a key part of kite festivals at the Washington Monument for several years running. His brother Curt Robb, Katie Crean, and Kate and Kevin Caimi make up the Decorate the Wind team for this year's Herndon Festival.
